

Help Us Bring Brownwood Back!

Triple Play Foundation (TPF) is a 501(c) 3 non-profit organization that is dedicated to using sports to promote education, health, and community service. Since our inception, TPF has partnered with the East Atlanta Kids Club (EAKC) to provide disadvantaged youths in the community recreational and educational opportunities. For most of the past 11 years, the EAKC has met at Brownwood Park Recreation Center but due to the city's budget woes Brownwood has been closed - now numbering among 22 of Atlanta's 33 recreation centers that are closed indefinitely.

This has left many children in Atlanta with no place to go after school or in the summer time. Fortunately, the EAKC has kept going, finding space to meet in a local church. But the church has limited classroom space and no green space in which the kids can play and exercise. In order for their program to thrive again, they need to get back into the recreation center and to the large park and recreational facilities that surround it.

Before moving back and resuming program activities in the center, the city is requiring EAKC to have commitments to cover the cost of utilities and maintenance for one year - \$16,160. Currently they have commitments for about half of that amount. TPF has committed to raising \$5000 and we need your help!

We have several structured sponsorship opportunities (see page 2) but no donation is too small for our efforts. Please feel free to contact our executive director with any questions you may have. 100% of donations will go to the East Atlanta Kids Club to help Bring Brownwood Back!!!
